FUN AND LEARN COUNSELORS TEAM

In Fun and Learn we know that during camp days we have under our responsability the most important of a family. Our counselors team is strictly chosen.

In all our programs we follow the Generalitat de Catalunya law and our ratio is 1 counselor per 6/7 kids.
Our counselors are native

e speakers, except the ones who by law have to have the Generalitat de

Catalunya degree. Those are English translators, English teachers or English bachelors degree.

All the counselors are specially trained and have the knowledge to reinforce the three main goals of Fun and Learn:
your child safety, the fun and learning of the language.

DO THE CAMPERS SPEAK ENGLISH?

We guarantee that the only spoken language during the day is English. The activities are really well organised and counselors motivate to speak the English language all the time. Native speakers help us to do it.

HOW DO WE DIVIDE THE GROUPS?

Activities are organised and suitable to each age group. In Fun and Learn we have a great variety of age groups, from 3 years old to 16 years old. So everything is organised depending on the group age.

For the activities: by age

For the conversation time: by level of English
