And of course ALL ALWAYS IN ENGLISH!!!

At Fun and Learn there is no free time, there is always an activity organised outdoors and we go to the swimming pool every day (option to take a short swimming course).

Some of the activities:

all kind of sports (football, basketball, volleyball...), archery, excursions, handicrafts, theatre, dancing, gymkhana, team games, frisbee, cooking workshop, horses, swimming pool, bikes, roller skate, scooters, traditional games (spinning top, "bitlles catalanes", boules...) and a lot more surprises!!!

HOW ARE THE GROUPS DIVIDED?

The activities are adapted depending on the age. The participants are divided taking the age into account.

The ages of the participants are between the 3 and 12 years of age.

IS ENGLISH SPOKEN?

At Fun and Learn we guarantee that the only language spoken during the day is English. The activities are highly organised, and the monitors are the ones who motivate the use of English as the only language spoken. The fact that we have native-speaking monitors helps us in this task.

At Fun and Learn, we avoid textbooks and grammar and promote the natural learning of English through the language immersion.

What we aim to achieve during the the days of coexistence is to awaken and encourage motivation to continue learning English and to provide participants with the necessary tools to feel free and comfortable expressing themselves.

OUR COUNSELORS

At Fun and Learn we understand that during the days of the camp, we are responsible for the most important thing in a family. Our team of monitors is selected with the best care.

In all of our programs, we follow all the regulations of the Generalitat de Catalunya, and our ratio is 1 monitor for every 6/7 children.

Our counselors are native speakers, except for those who, according to regulations, must be qualified by the Generalitat. These are translators, graduates, or teachers in English.

They are prepared and trained to be able to guarantee the three main objectives of Fun and Learn: the safety of your children, fun, and language learning

CAN I STAY FOR LUNCH?

Yes, you can stay for lunch. You must bring your lunch from home in a lunchbox, and we can keep it in a fridge until lunchtime at the camp.

IS THERE TRANSPORTATION SERVICE?

Every morning, there is a monitor at the Lleida, Bell-Lloc, and Mollerussa train station at 9:00 a.m. The return can also be made by train at 3:00 p.m. They are always accompanied by Fun and Learn monitors.
