 - To participate and to enjoy all the sporting activities
 - To develop the correct sporting habits
-

WHAT ACTIVITIES DO WE COMBINE WITH THE BIKE?

SWIMMING POOL TIME AND AFTERNOON ACTIVITIES

In the afternoon we go to the swimming pool.

After pool time we practice all kind of sports: football, basketball, baseball... and also excursions (balma de la Baronessa, Castell de Savassona, Sant Feliuet de Savassona...)

INTERNATIONAL CAMPERS

International campers enjoy our camp while they learn a new culture.

EMAIL ACCESS AND PHOTOS

At camp campers have access to the internet lab, so they can read and write emails to their families and friends. Also, every day the Fun and Learn website is updated with photos of the day of the campers so the parents and friends can see what the campers have been doing.

PARENTS

Parents are welcome to visit the camp the first day and spend some time in Spain while their children are at camp. Fun and Learn can provide you with information about the area and suggest places to visit such as vineyards, orchards, beach resorts, places to hike, golf areas and so on.

Please, contact us if you would like to learn more about this option.

TRANSPORTATION

transportation from Barcelona city center and airport is provided with an extra cost.

24-hour response counselors, medical assistance and group insurance during the journey and the entire camp program, Summer Camp in Spain maintain a trained 24-hour response team of counselors to handle any emergencies that may arise. During camp, there is a phone number for parents to contact with the summer camp director.

Our organization was created in 2001 and is well-known in the Barcelona area of Spain. We are also well known in the southwestern area of New Hampshire.

OUR COUNSELORS TEAM

In Fun and Learn, we know that during camp days we have under our responsibility the most important of a family. Our counselors team is strictly chosen.

In all our programs we follow the Generalitat de Catalunya law and our ratio is 1 counselor per 6/7 kids.

Our counselors are native speakers, except the ones who by law have to have the Generalitat de Catalunya degree. Those are English translators, English teachers or English bachelors degree.

All the counselors are specially trained and have the knowledge to guarantee the three main goals of Fun and Learn:
your child safety, the fun and learning of the language.
