OUR COUNSELORS TEAM

INTERNATIONAL CAMPERS

International campers enjoy our camp while they learn a new culture. During the three hours of conversation they can choose what language they wish to practice (English, Spanish and Catalan are the three options).
International campers can join our programs of overnight camps + sightseeing in Barcelona and Costa Brava.

EMAIL ACCESS AND PHOTOS
At camp every day campers have access to the internet lab so they can read and write emails to their families and friends. Also, every day the Fun and Learn web site is updated with photos of the day of the campers so the parents and friends can see what the campers have been doing.

PARENTS
Parents are welcome to visit the camp the first day and spend some time in Spain while their children are at camp. Fun and Learn can provide you with information about the area and suggest places to visit such as vineyards, orchards, beach resorts, places to hike, golf areas and so on.

Please, contact us if you would like to learn more about this option.

TRANSPORTATION
transportation from Barcelona city center and airport is provided with an extracost.

24 hour response counselors, medical assistance and group insurance during the journey and the entire camp program, Summer Camp in Spain maintain a trained 24 hour response team of counselors to handle any emergencies that may arise. During camp there is a phone number for parents to contact with the summer camp director.

Our organization was created in 2001 and is well know in the Barcelona area of Spain. We are also well known in the southwestern area of New Hampshire.

In the dorms, boys and girls are separated by age and gender, not by language.
During the meals, the seating tables in the dining hall changes every three meals in order to give the opportunity to meet everybody at camp.

Ages at camp are between 7 and 16 years old.
